LIAM DORAN VICTORY

Monster Energy Rally driver Liam Doran – who is sponsored by NGK Spark Plugs (UK) Ltd – has won a gold medal on his debut appearance at XGames 17 in the USA.

The 24-year-old Briton took first place in his Citroen C4 by beating double World Rally Champion Marcus Gronholm in the first two races of the best-of-three rally car racing final in Los Angeles.

Liam said: “I have had a few setbacks in European Rallycross so far this year, but this result has proven that I am the one they all have to beat.

“I have dreamt of this moment since I started racing and XGames was always a goal for me, and to win a gold medal on my debut, well what can I say?”
