## NEW NGK CATALOGUE

More than 200 new vehicle applications are featured in NGK Spark Plugs (UK) Ltd's 2011 Spark Plug and Diesel Glow Plug catalogue.

The latest publication from the leading supplier of genuine original equipment spark plugs, glow plugs and Lambda sensors, includes 97 new spark plug application lines, comprising 39 new application lines with 10 new part numbers and 58 new application lines with existing part numbers.

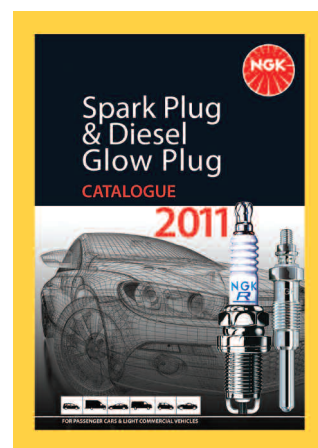

The 10 new part numbers have applications for vehicles that include: Jaguar XF/R 5.0 V8 (2008>); Range Rover V8 5.0 ('09>); Renault Clio III Turbo ('07>); and BMW 3 Series (E90) 2.0 ('07>). NGK is fitted as original equipment on all these vehicles.

The 58 new application lines with existing part numbers caters for vehicles, such as: Audi A4 ('08>); Ford Focus 1.6 ('07>); Honda FRV ('07>); Peugeot 207 VTI ('07>); and Volkswagen Polo Mk 5 ('09>).

For glow plugs, there are a total of 109 new application lines. These feature 58 new application lines with three new part numbers that include vehicles such as: Audi A3 ('09>); Citroen C4 Picasso/Grand Picasso ('08>); Skoda Octavia ('09>); and Volkswagen Passat ('09>).

While 51 new application lines with existing part numbers include glow plugs for vehicles, such as: Fiat Bravo JTDM ('07>); Mercedes CLS ('09>); Saab 9-3 TTiD 180bhp ('07>); and Vauxhall Astra H ('04>).

NGK Spark Plugs (UK) Ltd Marketing Manager Gerard Irving said: "Our new 2011 catalogue contains up-to-date information about the new applications for both existing and new part numbers for spark plugs and glow plugs which will make it an essential tool for our distributors and customers."
