NGK - MECHANEX EXETER

NGK Spark Plugs (UK) Ltd will be exhibiting its market-leading spark plug, glow plug and NTK Lambda sensor ranges on its stand at MechanEx, Westpoint Arena, Exeter, on April 17 & 18.

The company will also be providing technical assistance for visitors via its popular Tech Talk Live shows.

NGK Spark Plugs (UK) Ltd Marketing Manager Gerard Irving said: "The MechanEx shows give us the opportunity to provide our distributor and garage customers with the up-to-date information they require to satisfy their customers' requirements.

"Our Tech Talk Live shows are always popular with visitors and our staff will also be on hand at Exeter to deal with any queries about our products or technical enquiries."

NGK Spark Plugs (UK) Ltd is an original equipment supplier to most of the world's leading vehicle manufacturers and is renowned for supplying quality spark plugs, glow plugs and NTK Lambda sensors to the independent automotive aftermarket.

More information on the company and its products and services is available via the website www.ngkntk.co.uk
